

Dear Valued Customer,

As COVID-19, the Coronavirus, begins to have an increased impact, Badger Building Center is taking measures to ensure the health and well-being of our community. We understand the concern and uncertainty you may be experiencing during this emerging crisis, but as many others, our team is closely following guidelines from the Centers for Disease Control and Prevention (CDC), and other local and national health organizations.

Our stores are open for business during normal business hours and we're encouraging customers to visit us directly or utilize the contact information below:

- **Sagle** (208) 263-0253
- **Post Falls** (208) 773-1848

When you come into our stores, we have taken the following steps:

- Making more hand sanitizer stations readily available throughout our locations for both employees and customers.
- Increasing cleaning frequency of our facilities, with cleaning supplies readily available across all workspaces and common areas.
- Posted signs and taped off sections of each store to provide social distancing for the safety of our customers and employees.
- Limited occupancy to 10 people (customers & employees) in the store at any time.
- Requiring employees to stay home when sick, or after contact with anyone that tests positive, as well as sending home anyone that shows respiratory symptoms or fever.
- Encouraging frequent hand washing with soap and water for at least 20 seconds.

Other precautions we're taking:

- Cancelled or postponed all sales meetings, events or gatherings.
- Asked our drivers to minimize contact on sites.
- Cancelled all supplier appointments.

Although this is an unprecedented event, together we can ensure the health and well-being of our community.

Sincerely,

Lee Badger
